MOTION FOR LATE ACCEPTANCE OF NOTICE OF APPEARANCE

Caroline K. Powley d/b/a Unicorn Slide ("US"), by her attorneys and in accordance with Section 1.221(c) of the Commission's Rules, hereby moves for acceptance of her late-filed Notice of Acceptance. In support thereof, the following is submitted:

US and Trudy Mitchell, the other applicant in this proceeding, have filed a Settlement Agreement and a Joint Request for Approval of Settlement Agreement which seek the dismissal of US's application and the grant of Mitchell's application. As such, assuming such approval US does not intend to appear on the date set for hearing and present evidence on the issues specified in this proceeding. In view of the fact that US does not intend to prosecute her application at a comparative hearing, but instead seeks to have her application dismissed as part of a settlement agreement, US failed previously to file a Notice of Appearance.

Upon reflection, and in an abundance of caution, US has determined that she should file a Notice of Appearance. Pursuant to Section 1.221(c) of the rules, US seeks the acceptance of her late-filed Notice of Appearance, filed concurrently with this motion. In this respect, as noted above, US's participation in the hearing is limited to having her application dismissed for expenses. As such, no party is prejudiced by acceptance of US's Notice nor will the Commission's administrative processes be unnecessarily taxed. Counsel for the Commission's Mass Media Bureau has authorized the undersigned to state that she has been advised of this filing and will not oppose this Motion for Late Acceptance.

Accordingly, for good cause shown, US requests that its late-filed Notice of Appearance be accepted.

Respectfully submitted,

Lee J. Peltzman
